# *Exhortations for our Time*

(an excerpt from notebook no. 5)

(Jesus says:)

**“Help, when your brother can’t find his way home!**

“My sorrow is a sorrow that loves. You must light the way for others once you have found me. This way Grace is multiplied.

“Keep a humble heart after you have found me and help your brethren who are unable to find their way home on their own.

**“You are called to donate love, share the grace, for it is a pure gift!**

**“It is not you who have sought me, but I who have sought you.**

**“Those who help (others) have understood my Love.**

“Never think I have forsaken you! It would be disbelief in the highest sense!

**“Put me back in every brother!**

“The world has become cold, without Spirit. It would end if I weren’t present in the Sacraments.

**“You must DRAW LOVE FROM ME,** so that no one may founder in the mire of sin!

**“Always pray for everyone!** Never only for self! Seek this spirit of poverty, but without feeling coerced.

**“Child, love me for all those who are no longer able to!** They are caught in their sin. They are in need of the fresh air that flows from my Heart.

**“Always think of the others!**

“ATONEMENT is my battle cry for these times.

**“Child, you have many intercessors.**

“The saints fill me with joy when they pray for you. That is why I can forgive much; even those who reject me, even the greatest sinners.

“GOD cannot be fooled.

**“Protect my Church so that she can be capable of bearing you.** She is fastened to me; never forget that! She bears the Light able to illumine souls.

“I have given the Church more power than ever before!

“There still are those who avoid me with so much hatred that only hell could generate, and in such a brutal manner that only hell could know. Oh, how poor they are! They do not create it themselves; it’s a thorn that stings them: it is from the one who attacks souls.

“I want to help these souls! The inner life has burnt out. Souls are open to the devil of destruction, and are incapable of starting over again on their own. Their will is lost. How battered they are!

“The devil has an iron grip. How can I just stay and watch! I want all saved. I died also for them!

“Man often doesn’t know what to do with his soul, even though it is the most precious gift! I died for the salvation of each soul!

“I send workers into my vineyard, young ones also. You will be free. All in its own time. The Holy Spirit cannot be demolished or tied down. He will find his own. The CHURCH will rise again!

“All that happens has been permitted, and still more will happen.  
FIRST I GATHER, THEN WILL COME THE NEW BEGINNING.

“I send my Spirit out! Many have called me through the Spirit. The faithful should not fear!

“**They cannot destroy my Church. I want to give (souls) time to convert. I do not desire servants.** Their will must remain intact till the new beginning, that they may come with souls rent by sorrow.

“How men will call me when it will be too late! I want to avoid that. I said: ‘Come to me!’, but how they opposed it!

“**Mankind is in danger without me! I can’t separate anything from myself, for I am God also under the species of bread. I cannot show myself to you, for my splendour would kill, not only blind you as it did with Paul.**

“I will always use the little ones that mean nothing to the world. Arrogance opposes my Spirit.

“**(...) Everyone must seek to be holy. Many could succeed.**

“**No one should let his nature prevail, which would always want to impose its will.** (Instead) always listen to God. Concern yourself with forming a relationship with God. Never cease PRAYING! Love always shows the way, and is followed by certain knowledge. Always look up to God! This is the bridge that the devil can never cross without falling in. Never fear God, not even for your sins. But come to me (in the sacrament of penance). **The devil tries to impede you from confessing. But fear not.**

“(..) Always maintain a childlike TRUST! **A soul need not be afraid. Such a soul would never be happy.** I implore you: never take the way (of fear)! It is the devil that tempts you. He could never grant the peace that belongs to God. He is the darkest of nights!

“**Believe in my MERCY! It is limitless!** A person who trusts will never be punished! The devil knows that. FEAR CAUSES DEPRESSION. I am not a tyrant. Why be afraid of me! If I could have done more for you, I would have done it, truly child! How can you fear the Father who has generated so much LOVE!

“**You have only to ask me! I always listen and am always ready to help.** It is like with the telephone. Call me! I listen immediately. Or have you forgotten my number? He who loves surely knows how to find it!

“I say: **TRUST!** That is the key. It will always allow you to find me! I know the voice of the heart, because TO LOVE IS TO TRUST! I do not look at the errors of the past.

“Child, I have great power, which grows the more you trust me. In this lies the key. Faith has no lock or bolt. Men need to know this. If only you knew how indifference hurts me!

“Child, love can grow in FAITH. I want a heart full of FAITH, for only then I can save the world from falling in on itself.

### “**TRUST IS THE WAY OF THE SAINTS!**

“He who trusts profits the most. FAITH IS LOVE of the highest kind. Can you love someone you don't trust? Look at how I have entrusted myself to you, and trusted you (with the Sacraments)!

“**The world has a false face.** Each of you goes his own way and forces God to go his. This is not the way of Grace! The little are always under while the big sit on top. I will oppose this way of doing things! There can only be one GOD, and He will raise his voice; though not in a roar, lest the rats be attracted and crown their pile of lies as though it were truth.

“**THE HOLY SPIRIT WILL RAISE HIS VOICE WITH UNIMAGINABLE TRUTH, NO ONE WILL BE ABLE TO RESIST! He is the ALMIGHTY!**

“Continue to search for your brethren!

(On the ACT of LOVE):

“It is granted you all to belong to my Mother! She is the QUEEN OF GRACE!

“**Come together in the ACT of LOVE!** My Heart is ready! It is a time of grace, particularly for sinners. Don’t lock me up in to your narrow heart, for my Love goes beyond, to the ends of the earth.

“**I want to conquer the world with my heartbeats of love!** This way I am united to you through the **ACT of LOVE!** The devil would want to diminish everything, yet it never was so great. You must never lose TRUST! Receive the sacrament of penance more often!

“The slavery of hell menaces the world! God cannot penetrate your will and chain you to Love. I must respect your will, out of love, and prepare for a return.

“**PRAY THE ROSARY** to impede the evil one’s wave of destruction!

“How the devil works! He has put himself on the way of grace to destroy it with his slyness. Nothing is hidden to my eye.

(From the Guardian Angel:)

“**You have the Mother! Pray to her! She can save you all! And She will. Her heart burns with love for you.** I come often now, even if you can’t see me, but I see you. You never call me in vane! I often spread my wings over you. It is to protect you, when evil is near. All the angels do this to take care of mankind. We are barely acknowledged and yet are so faithful to you! We know how precious your souls are! You often call me. It is a victory to help a soul. We share in your happiness. GOD loves a soul infinitely! This gives us joy too.”

(Jesus says:)

“**Carry me to the hearts that have forsaken me, rejected me.** (...) Child, if you knew what my Heart had to bear! Your soul would be horrified. Many present themselves for Communion while in mortal sin.

“Death and hell keep me trapped in these hearts until the sin is atoned for in my soul.

“I will drive out all demons! The great hour has struck. Eternity approaches unrestrained! Death spreads its poison. I mean the inner death, which can’t be seen because it is silent! Its lips are frozen. It can speak no prayer.

“My heart beats, full of Mercy, to spread the Light. Flee to my Heart; I will protect you!

“**Take care of the brethren who are without Light.** I let you lead me wher-

ever you want, such is the power of prayer!

**“EVERY NEIGHBOUR IS YOUR BROTHER!** I will encounter you in your brother. Child, this is a great mission! ALWAYS THINK OF THE OTHERS, those who have made themselves strangers to me. Each one has his own will.”

**“PRAY THE ROSARY! Everyone can share in it.** It bears great graces.

I said: ‘Come to me’: BRING ME THE WEAK; THE SLOW; THOSE WHO WERE BELIEVED DEAD. Allow them to participate (in the fruits) of the Mass, and life will gush forth. **Pray for those who no longer can.**”

(Regarding the Eucharist):

**“I AM THE LIVING BREAD! Great miracles will happen! I will multiply the bread in souls.**

“Open your hearts wide! Believe once again in my Power, which I manifest in miracles.

“The burden of sin is almost crushing man! Sin is contagious, passing from one to another!

“I give you the power to help sinners!

**“LIFT UP YOUR HANDS IN PRAYER! I hear every whisper, because I Love. I will show you, in eternity, how I listened to you!**

**“To every prayer I grant a miracle - a miracle of love - which can save everything. My Love is carried by the Holy Spirit, and bears His mark.**

**“Many souls fall. They must be helped.** God is not powerless when He is silent! He is not mute when He is silent!

“Prayer will move the Father to do His part. Only never stop praying! It is as with suffering: no one sees its inner worth!

“Do you have so little trust in me because (you think) I stand aloof, watching as the wolf wrecks havoc?

“I search for souls, to bring them to conversion. It is still not the time to show you my treasures. You do not know how I gather souls. Even the fish were caught in the net on my Word. Who taught them to do so? My LOVE attracted them! They felt a warmth that called them right into the net! No one can give such instruction, but me!

**“Who can resist Me?**

“Am I weak because I came as a child? Not only were the winds and the waves silenced! My power will show you who I am!

**“NOW A TIME NEVER SEEN BEFORE IS COMING!**

“Amid thunder and lightning I gave my Commandments - and they will shine again!

**“HELP ME TO SPREAD LOVE!** Love has a divine strength! Come to me by forgiving your brother. **TO FORGIVE is the greatest ACT of LOVE!**

**“The whole world must forgive; forgive one another!**

“No one is always right, and no one is always wrong.

“Always put **GOD** first, and things will go right. You should always proceed from God and act for Him.

“The Light of Love must never burn out, otherwise the night would burst in! It is not difficult to enter Heaven if you observe this secret, and stay close to me.

“There is a Love that prays, reaching out to all. Its source is in me.

“Love has many ways, and they all come back to me!

“Keep your heart open and turned to me! I can warm it. The need is great amongst my people! I know how souls thirst.

“Lift up your hearts in the Eucharist! It will make you happy. I hold them over the baptismal font, over the embers of my Heart, for in this sacrament I am only Love!

“To repent of your sins is to find the love of the Father!

**“Every time you confess your sins your baptismal innocence is refreshed!** Only I can lift up souls. It is through me that Grace is proclaimed.

**“Children, keep watch! Listen only to the Pope; no one else!** Continue along the way you have taken so far! I have assured **ROME**. Secure your hearts so the enemy can't penetrate!

“The want of my people will be great, for the devil roams untiringly to snare souls. Fill your churches again or they will be wasted! The enemy has already begun his work.

“How my Mother is worried about your safety! She stands pleading for you.

**“PRAY TO THE HOLY SPIRIT AGAIN. PRAY A LOT! MY HOUSE IS BEING EMPTIED!**

“I go everywhere to help those who are most in need. Take me everywhere! Take God’s Word out. I live with the Church.

“**There will be a great homecoming! Each one will be found!** I will smash the devil’s shield as though it were nothing!

“Sin must cease!

“The Child carries the earth globe in his hand, such is His power! It will be a victorious procession of Love that no one can resist.

(...)

“**Be HUMBLE! GOD GIVES HIS GRACE only to the humble!** Do everything for GOD! Ask first for humility. HUMILITY is my fundamental virtue. It is attained through abandoning oneself to my Will. This virtue requires much prayer. No priest can carry out his mission without it.

“A soul is not a partner to the devil, whoever he may be! No one knows how cruel that beast is! It would be alike to entrusting a child to a pack of wolves.

“**THEREFORE, ASK ME!** I make you the gift (of souls): those whom you win through prayer, I have sought out, and the devil cannot intervene. This is a great proof of (my) Love!

“No request is too big for me! As a Child I love you and as God I give to you!

“One who asks never belongs to himself. I will show you: I will ask the Father on your behalf!

“Thy Kingdom Come”... this is a profound prayer of the heart, that can be carried anywhere. The Redeemer was thus invoked even at the beginning of time.

“**PRAY FOR THIS KINGDOM,** that is not attractive to many anymore! Sin has become an avalanche. This world keeps all doors to heaven barred shut.

“Child, you are not alone. Believe it strongly! A new time will come.

“**You are all called to give yourselves!**

(Saint Joseph speaking about UNBORN CHILDREN and abortion):

“**YOU CAN BAPTIZE CHILDREN WHO ARE NOT BORN.**

“Many prayers for these little souls will be offered up. Say a prayer to consecrate them to the Mother of God. I am Joseph, their foster father.”

(The Mother of God says:)

“It will be an honour for saint Joseph who made so many sacrifices for my Child. He was sent as a saviour. He never thought of himself in trying to save me and the Child. He worked very hard for our daily bread.

**“So, beseech him!**

“I want to offer them all up to Life. In my Heart there is so much fervour! I am the MOTHER of GRACE. It has been granted to me. So child, take holy water, and your cross with the indulgence for the dying, and bless these little souls, saying:

**“GOD bless you and protect you!**

**“May His light shine upon you!**

**“May He take you up in His unending love!”**

“They will be the same as innocent children. Everyone can do it..

“If only mothers knew what they are doing! **Every conception is the work of God.** Who has the right to demolish the bridge? They lose every restraint, falling closer to the abyss. Not the children, though. One day they will cry out, and all will be silent.

“(Abortion) is an assassination, done stealthily, of one’s own child!

“It is the assassination of a baby! The entire world is threatened by it.

“Woe to those mothers who do it with such fickleness! All of them will have to undergo my judgement.

“Help them so that they do not go lost. **The Father desires being merciful; that is why you have seen this.** (Mrs. Klotz had just seen some unborn babes.)

**“He wants to give the mothers a chance to make atonement.**

**“Help the mothers with endangered children to avoid that!**

“(If) there is money for entertainment, use some of it; make yourselves available to help.”

(Jesus says about these little souls:)

“Help these mothers to MAKE ATONEMENT for their sins, so they won’t be crushed beneath the weight of their sin! Love is a Commandment for everyone! Don’t concentrate only on yourselves, or you will be alone!

**“THE ACT OF LOVE IS AN IMPASSIONED PRAYER FOR THESE TIMES.”**

## *“Help for All”*

Through the Act of Love  
save the brethren who are lost

It is the desire of Jesus that we help save our brethren who are lost through sin. To this end, the Lord Jesus has suggested other means besides the Act of Love by which to work for the salvation of souls, including a community, inspired for those who desire offering up their lives for the salvation of souls.

Following is a sample of messages given by the Lord Jesus:

**“Join together** in a covenant of self-giving! **Renounce your free will**, then I can visit your depths!

**“Form a community: HELP FOR ALL! Many will be ready for it.** Have concern for the soul with all your might! **You have to learn Love from me; always in its highest form. Keep your heart humble after you have found Me; Help your brothers and sisters who are unable to rmake their way back Home; You must be light ... so that I can multiply my Grace ...**

**You must donate Love, share the Grace.**

**He who helps has understood LOVE.**

**Help Me to be once again in every brother and sister.**

The world has become so cold; it has excluded the Spirit. The world would sink into oblivion if I weren't present in the Tabernacle.

**You must draw Love from Me**, so that no one might sink into this mudpool of sin.

**Pray always for everyone; never for you alone.**

Daughter, love Me for all those who are no longer able to love Me. They founder because of their sin. They need clean air which my Heart alone can give.

**Lift your hands up in prayer. I hear every murmur.** You will see in eternity how I have listened.

**Practice prayer!** I want to show you my Mercy. It is available for everyone. You too must practice mercy. Form a community. Enclose it in my Heart.

**Pray for the entire world which is foundering.”**

This praying community was created according to Jesus' will (as expressed to Justine Klotz). The conditions to be a member were established on the basis of Jesus' desires, so that brothers and sisters could help each other in a better way, in the spiritual and sacramental life especially. He has shown this road himself, which can be synthesized thus: **DO EVERYTHING WITH MARY, FOR ALL SOULS, WITH ALL SOULS!**"

**The main criteria for the admission to the community (except certain particularities or other recommendations), are:**

### **1) Confession**

In confession we can draw mercy for all souls. This spiritual activity "in the name of all and for all souls" is permeated throughout Jesus' messages to the mystic Justine Klotz. Jesus said to her on the subject of confession: "What one does, all do! This great is the sacrament! This is what it means to move mountains!" The suggestion (also asked by the Mother of God in Medjugorje, and previously through Lucia at Fatima) is to confess at least once a month.

### **2) Holy Communion**

When we receive Communion, we can let other souls be a part of it. According to Jesus' will we should ask Our Lady to lend us her Heart so that the sacred Host is received by Her on our behalf, and so that Jesus can be led by Her to many other souls. Jesus said to Mrs. Klotz: "Do not lock me in your heart! Place me in the heart of my Mother and follow her from soul to soul in the secret of your heart."

### **3) Life with Mary**

A very important point in all our activities is the inner communion with our Heavenly Mother. Jesus said: "DO ALL WITH HER; NOTHING WITHOUT HER."

### **4) The Act of Love**

This prayer, also, is central to the Alliance of Donation; the members should pray as often as possible and try to involve others as well, because the act of love carries great promises.

### **5) Prayer intention**

All our prayers and actions should be moved by our desire to pray and do good works for the benefit of souls.

## **6) Other brief invocations**

My Jesus, have mercy!

Lord Jesus, my every breath for you!

Lord Jesus, I love you! (to offer up when working, praying, or upon going to bed...)

Lord Jesus, may I think of You always during this day!

## **7) Virtuous Life**

Jesus offered various precious hints to help us live the virtuous life. Regarding love of neighbour, He said to avoid getting angry towards those who do not believe, do not practice the faith, and those whose actions are damaging to us and to society, etc.
