

“Together form an ‘Alliance’ of souls...

...willing to offer themselves. “Renounce your own will, so that I may visit the depths. Form a community, (call it) Help for All...to care for the souls through total donation (of self); You will have to learn Love from Me; Keep your heart humble after you have found Me; Help your brothers and sisters who are unable to make their way back Home; You must be light, so that I can multiply my Grace. You must donate Love, share the Grace. He who loves will discover the Holy Spirit. Through my love everyone is called to the donation of self.. Pray always for everyone; never for you alone. I hear every murmur. Pray for the entire world which is foundering.”

The main criteria to be part of this community are:

1.Confession: In confession we can draw mercy for all souls. “What one does, all do! This great is the sacrament! This is what it means to move mountains!”- **2.Holy Communion:** When we receive Communion, we can let other souls be a part of it. Jesus said: “Do not lock me in your heart! Place me in the heart of my Mother and follow her from soul to soul in the secret of your heart.” - **3.Life with Mary:** “DO ALL WITH HER; NOTHING WITHOUT HER.” - **4.The Act of Love:** This prayer, also, is central to be part of this spiritual Alliance of Donation - **5.The good intentions:** All our prayers and actions should be moved by our desire to pray and do good works for the benefit of souls. **6.Other brief invocations:** My Jesus, have mercy! - Lord Jesus, my every breath for you! Lord Jesus, I love you! - Lord Jesus, may I think of You always during this day! **7.Virtuous Life:** especially with regard to love of neighbor, towards those who do not believe, do not practice the faith, and those whose actions are damaging to us and to society, etc.

Act of Love

(Imprimatur N. 26, Vicariatus Romae 29.11.2013)

Jesus, Mary, I love You!

Save priestly souls, save souls.

We beseech you: Grant us to repeat this Act of Love
a THOUSAND times, with our every breath,
with our every heartbeat.

This prayer has been delivered by the Savior to the German Mystic
Justine Klotz (1888-1984), to renew the world.

The Act of Love

The Savior told to Justine: "I'll show you the omnipotence of My Love: This Is My Mercy. I give you the word thousand. It has never been this way! It is a gift of love of my divine soul... Everyone is called to make this ACT OF LOVE. This is why it has to be spread and let be spread. It will become a giant flame, I promise you. Start with courage and always include the word "THOUSAND"!...I have placed my Mercy in it. MERCY stirs up LOVE. It is a luminous way. Love without measure!

This love will be the breath of every soul. I will reopen many hearts that were already petrified. Only my mercy can still save them. For this I gave the ACT OF LOVE. And never fall asleep without it! My Mother is by your side in the battle against hell. How my Mother cried for the sake of souls! It is for Her that I established the Act of Love, so infinitely great for each soul, and forever. The Mother with a grieving soul, for priests and for the people. The Spirit will sustain them. My Soul is the marvellous Power of Love! Everything is possible with Love. Love raises everything up to the Father...The Holy Spirit is visible in the triumph. This is how I want to unite you, as it has always been. They will recognise God better. (It is) a gift of the Holy Spirit...It is as an act of consecration to my love; as at Holy Mass. The angels are always present."

Offer in Prayer Jesu's Fear of Death:

- for those who have no time to pray; for those who take their own lives; for those who are killed. And may the Holy Spirit, who is Life, come upon them! You should all do it, for each other! This way I would go to encounter dying souls before they even knew it. GOD knows their names. In love everything is possible, all one needs to do is want to help!"

(Pater, Ave, Gloria)

On the Eucharist

"I AM LOVE BORN THROUGH THE MOUTH OF THE PRIEST. Through the Holy Spirit I was born, and I became Host, for your souls.

This miracle of Omnipotence far exceeds all that happens on the earth. Heaven and earth can not contain me, yet you can receive me! For God abided in it, as in Heaven. Even my heart I have left with you, so it can be celebrated (the Eucharist) and so that in me is established the foundation of the Resurrection." Mother of God: "I am with my Son at every Sacrifice, and very close to every soul. I am MOTHER OF PRIESTS especially. As Mother I can help; it is my duty given me by the Father through the Son's words, given as a testament. He gave me the same PURITY of His own Son. The Victim cannot be touched by any sin. This PURITY descends onto the altar at this moment."

The sacrament of penance.

An entire river of grace is able to flow through this sacrament! It is not a tribunal of God. It is based on FORGIVENESS! Acknowledging one's sins is the greatest sign of love. Not all can come (to the Sacrament), but all can be participants! Nothing is for an individual alone; my Love is too great and mighty for that. GOD wanted it differently. When a river breaks its banks, it covers wide fields and fills all depressions. No one can measure Grace. Even for a priest it is impossible. It is beyond the earth and the thoughts of men. The priest is as though seated on a throne of compassion. He is sanctified through many graces. Everything that his ministry demands of him becomes a blessing for him, by means of the HUMILITY that he practises. Through this Sacrament they become generous dispensers of Grace. They donate Grace, and they donate Blood, to keep my spiritual body alive. To this extreme my Blood flows."
