

Take the lamp of love, which I have lighted anew. Carry it to your brother. Whoever loves, saves, whoever saves, loves! These are the hands of this clock. They circle around my heart. These are my heartbeats, that is how the *Act of Love* is connected to me. These are my own heartbeats and no one can stop this clock. The opposite is true: the echo is heard in St. Peter's Cathedral! This clock will not go too slow. It will be spread throughout the whole world. The whole world will listen.

Every *Act of Love* will ignite like never before. Everyone will receive me till all are one. If every soul would pray it only once in the morning and again only once at the end of the day, then the thousand would be completely accepted, as every raindrop that falls into the ocean and none of them could be fished out again. Whoever prays, loves – whoever loves, prays!

So I bring my Mercy to the light. Yes, more so: It is like a fuse which is connected to the light wire. The same effect is produced each and every time and everywhere.

You can't fathom love, therefore accept the *Act of Love* for the whole world which has become so cold. This is the sun, the light against the darkness. Where it is prayed, sin will no longer be able to spread. I gave it to you as a gift through My Mother – and the gift was the same size for everyone. Remember the Wedding feast at Cana. I myself am the Bridegroom, through the miracle that happened there.

This *Act of Love* should build a community. I want to give you this love. I am among you – a lover!

I want to destroy the power of the devil with the *Act of Love*. I showed you how the little David went to fight with small stones and you have the *Act of Love* multiplied a thousand fold. I will show you how much it is worth. Souls, Souls! A lamentation of My love! Death must give way to these souls, because love cannot die. The cross has become victorious!”

# *The new Act of Love*

Jesus, Mary, I love you,  
save the souls of priests, save souls.  
Allow me to repeat this Act of Love  
a thousand times with every breath,  
with every beat of my heart.

*(Vicariat Rome, Imprimatur N.26 v. 29.11.2013)*

*Some of the promises of Jesus concerning the Act of Love as revealed to Justine Klotz (1888-1984):*

(Jesus): "Pray with great trust! This *Act of Love* is an act of trust to the greatest extent. Begin the day in this way and do not end it any other way! I give you the word 'thousand' as a gift. It was never like this. Consider this! It is a gift of love from my divine soul. It is always a consecration to my love, as much as a solemn Holy Mass. The angels will begin to sing 'Holy' and praise my love, as never before. Often some of the highest angels are present.

You don't realize what you are doing. It is a tribute to my love. My love is a love that saves, a love that I can give without measure! You have been recruited by God out of love to do something extraordinary. Breathe with this love in your heart and the devil will no longer find an entrance there. You can breathe love in and out. Soon evil will retreat. There will be light in the souls again. This I have foreseen and carried out. I myself am the one who will show the way and lead to grace.

It is a great gift of grace for every soul: The Victory of my Mother. For her I gave this *Act of Love*, for everyone and forever. The Mother has great numbers of angels which she sends out to help her child in battle. No one is alone with the *Act of Love*. Many are praying simultaneously. These are my watchmen. No priest who prays the *Act of Love* and helps to make it known will die without the *Act of Love*. It is an eternal offering. Even while you are thinking about it, I can save many souls.

Live your life with love! LOVE for LOVE! I will return burning love to you. There is still time. When I gave Peter the keys, I opened the gateway of Love. This happened in the Spirit through My words. He rules the whole Church, that is how mighty My words are. No one has such words and so much grace to pour out! Everything comes to life and is filled with light and I am here and present, yet invisible.

My whole work was hidden in HUMILITY.

Believe every word, all love is held therein. It is up to you to prepare the way. It is a victorious message from the Angel of the Lord. This Act of Love replaces everything that is neglected today. They are building stones. It will be as if a warm wind from the south comes to make the ice melt. They will all be included in this *Act of Love*. That is why it should be made known, secretly at first. It will come to be a huge flame. I promise this to you. You don't realize what you are doing. This love will be the breath of every soul. Many souls will return home through it. It is a hidden light, dimmed before the devil, forever, so that he cannot fathom it. For this I will again open many hearts, which are already hardened. Mankind has sunken so deep, only my Mercy can save them. That is why I gave the *Act of Love*. How I will shower the souls with gifts! It is a call to grace.

I love this *Act of Love*. I have attached great graces to it. Grace brings about love. It is a shining path. Love without measure!

I give the souls so much power with this Act of Love. You will never know what the soul does and what it can do.

We will be able to conquer the devil at unbelievable depths.

Everyone can help. The *Act of Love* is the beginning. It came from my heart. The devil came to destroy the world. The power of souls is greater. Therefore join in! Are you not the temple of the Spirit chosen by the Father? My Mother was crowned, so that she might help you.

Fight with the weapons of the Spirit! I continuously tie the belt around your loins against Satan. Accept this protection! It cannot be taken from you. I will tie the belt around your loins, because obedience is love which came from me to honour the Father. It will be repeated until one thousand has been reached.
